Programs that meet your needs

You can access our rehabilitation services as an inpatient (where you stay in hospital) or as an outpatient (where you come to hospital for treatment and go home again).

Our expert staff will work with you, your carer, doctor or other health care professional, to create the right program for you.

We help you to set and achieve realistic goals. We will encourage and assist you to do as much as you can do yourself until you don't need us any more!

Caring, expert staff

We have a range of highly skilled, caring staff to give you the best care possible.

The best facilities

At Hunter Valley Private Hospital you are cared for in modern, comfortable, home-like surroundings.

Our rehabilitation unit includes a:

- Hydrotherapy Pool
- Gymnasium
- Independent Living Unit
- Visitors' Unit

We have 8 private rooms and 6 double rooms, all with en-suite. Relax in the dining room, lounge, library, courtyards and gardens.

All dietary requirements are catered for.
Outpatients also receive morning/afternoon tea and a hot lunch.

Referrals and assessment

Your general practitioner or other health care provider can refer you to our services. You can also contact us directly to discuss your needs. One of our staff will assess you before you commence treatment either at the hospital or at your home.

Fees

We submit our account directly to your Health Fund, Veterans' Affairs, or insurance company. If you do not have "Top Hospital Cover Health Insurance" we may require you make some payment to us. We accept Bankcard, Visa, Mastercard, EFTPOS, cheques and cash. If you are claiming Worker's Compensation or 3rd Party, be sure you have all relevant authorisations prior to admission.

What to bring

- Swimming costume and suitable footwear.
 - Comfortable clothes (suitable for exercise).
 - Medications
- Outpatients** Bring a list of all medications that you are taking and the medications you need to take while you are attending a rehabilitation session (including pain relief).
- Inpatients** Bring all prescriptions and any medications that you need to take while you are in hospital (in their original bottles and packets).
- Health fund, insurance or Workers Comp details.
 - Healthcare cards: (Medicare, pension, DVA where applicable).
 - Toiletries and sleepwear (inpatients).
